

PARTICLE MONITORING VS CLASSIFICATION

FEBRUARY 23, 2021
12 NOON – 1:00 PM PST

RSVP: <http://atdevents.net/register.php>

Cleanroom classification and routine monitoring basics, differences in the light of current industry standards and guidelines.

Topics

- Cleanroom classification basics as per ISO 14644-1:2015 and GMP Annex1
- Online particle monitoring system design fundamentals
- Risk based approach to cleanroom classification and cleanroom monitoring
- Difference between monitoring and classification

Who should Attend

- If you are responsible for 3rd party cleanroom performance testing contractors
- If you are responsible for sterile manufacturing processes, production, QA and QC
- If you perform cleanroom classification and certify clean spaces
- If you are responsible for supervising cleanroom testing
- If you are part of Environmental Monitoring Plan execution team
- If you are part of Validation Master Plan team

Takeaways

- Gain detailed information about current standard and regulations
- Learn difference between classification and monitoring

HASIM SOLMAZ
GENERAL MANAGER, EMEA
LIGHTHOUSE WORLDWIDE SOLUTIONS

Hasim Solmaz is General Manager of Lighthouse Worldwide Solutions EMEA Operations. Hasim's focus is on cleanroom design and management concepts, environmental monitoring systems, pharmaceutical manufacturing and regulatory concerns. Hasim is a founding chair of Cleanroom Technologies Society of Turkey (CTS), head of delegates in ISO TC209 "Cleanrooms and associated controlled environments", an expert in ISO TC209 "Cleanrooms and associated controlled environments", Working Group 3 "Cleanroom Test Methods". He is an honorary chair of ICCCS, The International Confederation of Contamination Control Societies which is an international community for cleanrooms and contamination control. Hasim is a faculty member for Institute of Environmental Sciences and Technology (IEST). Hasim is also an active member of International Society for Pharmaceutical Engineering (ISPE) and Parenteral Drug Association (PDA). He holds a Bachelor of Science degree with high honors in Atmospheric Science and Meteorological Engineering from Istanbul Technical University.

Free Webinar for ISPE Members
Particle Monitoring vs Classification

Tuesday, February 23, 2021
Noon – 1:00PM (PST)

Format:

GoToWebinar

Instructions to join will be emailed one day prior

Program Manager:

Nick Haycocks, Senior Specialist QA, Amgen

Moderator:

Justin Cantor, Chief Strategy Officer, PSC Biotech

Speaker:

Hasim Solmaz, General Manager, Lighthouse Worldwide Solutions EMEA Operations

Cost to Attend:

Free for ISPE Members

\$35 Per Session for Non Members

\$250 Webinar Sponsor (see last page for details)

Topics to be Covered:

- Cleanroom classification basics as per ISO 14644-1:2015 and GMP Annex1
- Online particle monitoring system design fundamentals
- Risk based approach to cleanroom classification and cleanroom monitoring
- Difference between monitoring and classification

Thank You To Our Annual Sponsors

Registration Instructions for Sponsors and Attendees

- 1) Click on the link below then log on using your username and password: <http://www.atdevents.net/register.php>
- 2) Click on the appropriate event. Here is where you can download the event flyer also.
- 3) Scroll through the list of registration options and find the one that applies to you.
- 4) If payment is required, select the payment option of your choice and follow instructions to pay. Make sure to go through all of the steps until payment is confirmed. Since our site has to go to the merchant account site, there are a couple extra clicks involved.

ISPE California Chapter Members: If you are an ISPE Member in California, please do not set up a new account, as you should already be in our system (takes a few days after joining). You will need your username and password to log on.

How To Find Your ISPE Member Number or Update Your Account to a Member Account: To update your existing account to a Member account, or to add your new ISPE Member account to our website, please forward your confirmation email from ISPE or your ISPE Membership information to Rob Fleming (rob.fleming@yahoo.com). We need your Chapter name, your ISPE Member number and expiration date. To retrieve this information, log onto the ISPE website. Click on "Account" on the top right side, then "My Account". Your Membership information (not including your chapter affiliation) is on the left side. Please take a screen shot or make a pdf of the page, then email it along with the name of your chapter to Rob Fleming to update your profile on the atdevents.net site.

ISPE Members of Other Chapters: You will not be in our system unless you have previously set up an account. Please follow instructions for Non Members below then follow the instructions to update your account to a member account (see above).

Non Members: If you do not have an account, you can set one up on the site using letters (not numbers) as your username.

Sponsors Can Use This Invoice to Register: Your sponsorship includes your logo on email promotions and event flyers and a link for your employees to join the webinar at no additional cost. You have the option of providing a promotional video of up to 30 seconds to be played during the webinar. You will also receive a link to view the webinar recording after the event and any handouts approved for distribution from the speakers. This information can be shared with your staff after the webinars.

_____ **\$250 Webinar Sponsor**

If paying by credit card, please check type: ___ VISA ___ MASTERCARD ___ AMERICAN EXPRESS

Name on Card: _____ Signature: _____

Card #: _____ Expiration Date: _____

Please cut and paste your contact information here, or fill in the appropriate spaces:

FIRST/LAST NAME: _____

TITLE: _____ PHONE: _____

COMPANY: _____

E-MAIL: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIP: _____

Questions or help with registration, please email Rob.Fleming@yahoo.com. Note: Our system does not email confirmations for complimentary events, however, you will receive a link to join the day before the webinar.
