ISPE Facility of the Year Awards

## A Premier Sponsorship Opportunity

ISPE is offering a unique opportunity for your company to connect with prominent industry leaders in technological innovation for pharmaceutical and biotechnology facility design, construction, and operations by sponsoring the prestigious Facility of the Year Awards (FOYA) program. Your sponsorship of the FOYA program offers unparalleled year-round visibility and recognition by our industry as a supporter of the innovations driving our industry.

## Year-Round Visibility

The Category Winners of the Facility of the Year Awards Program are recognized and celebrated at the prestigious FOYA Awards Reception and Banquet each year which will be held at the 2024 ISPE Annual Meeting & Expo on 13 October 2024 in Orlando, Florida, USA. Sponsors will receive year-round recognition and visibility preceding, during, and following these events in a variety of media.

# 2024 ISPE Facility of the Year Awards

ISPE's Facility of the Year Awards Program is the premier global awards program recognizing innovation and creativity in the pharmaceutical and biotechnology manufacturing industries. The FOYA program celebrates the shared commitment and dedication of individuals working for different companies worldwide to enhance patient health and safety through innovation and advancements in pharmaceutical manufacturing technology.

Projects awarded set the standard for pharmaceutical facilities by demonstrating excellence in the categories of:

- Innovation
- Pharma 4.0™
- Operations
- Social Impact
- Supply Chain

## Ad Opportunities

### FOYA SPOTLIGHT ON EXCELLENCE ADVERTISING

- **\$2,000 - FULL-PAGE ADVERTISEMENT**
- **\$1,500 - HALF-PAGE ADVERTISEMENT**

Get your message and brand in front of ISPE members and industry stakeholders by placing an ad in the FOYA Spotlight on Excellence booklet.

The publication will be available via digital PDF download from the ISPE website, and printed booklets will be distributed at the 2024 ISPE Annual Meeting & Expo and other 2024-2025 ISPE International events.
